access to the centre. Members are advised to bring their own bags/boxes for collections and provide their own scissors if needed.
6. Membership gives nee access to a fair share of the materials available. We may have to restrict some
items from time to time to be fair to all members, e.g. if supplies of high value items do not meet demand.
7. Members must respect the health and safety of other persons present whilst visiting the centre and
conduct themselves accordingly e.g. by keeping walkways clear and leaving shelves in a tidy state.
8. Though every effort is made to ensure the materials available are clean and safe, any material used,
stored, or handled in the wrong way can be hazardous. We therefore can accept no responsibility for
the subsequent use, storage, or handling of the materials once they have left the premises.
