Members can take and use the materials for: <ol style="list-style-type: none"> <li>a. educational, artistic, play, creative, social or therapeutic activities,</li> <li>b. making items that, if sold, their proceeds are used solely for charitable benefit.</li> </ol> </li> <li>2. All visitors must sign in at reception on arrival.</li> <li>4. We regret that the Scrapstore environment is not suitable for children under 12</li> <li>5. Because of space restriction, a maximum of 4 people at a time from one membership are permitted access to the centre. Members are advised to bring their own bags/boxes for collections and provide their own scissors if needed.</li> <li>6. Membership gives free access to a fair share of the materials available. We may have to restrict some items from time to time to be fair to all members, e.g. if supplies of high value items do not meet demand.</li> <li>7. Members must respect the health and safety of other persons present whilst visiting the centre and conduct themselves accordingly e.g. by keeping walkways clear and leaving shelves in a tidy state.</li> <li>8. Though every effort is made to ensure the materials available are clean and safe, any material used, stored, or handled in the wrong way can be hazardous. We therefore can accept no responsibility for the subsequent use, storage, or handling of the materials once they have left the premises.</li> </ol>
